# Bench Scale

**Stainless Steel**

**Carbon Steel**

**NOTE: Sizes and colors can be customized according to your needs.**

# Specifications

**Material:** stainless steel or carbon steel  
**Capacity:** 15kg~600kg  
**Units:** kg/lb  
**Accuracy:** III  
**Safe Load:** 150%F.S.  
**Output:** RS232

# Features

- Provide customized platform size
- Capacity up to 600kg
- OIML/NTEP approved load cells
- Four anti-slip adjusting feet(Waterproof or anti-rodent)
- Overload protection

Capability	15kg	30kg	60kg	100kg	150kg	200kg	300kg	500kg	600kg
Division	2g	2g	5g	10g	10g	20g	20g	50g	100g
Size	250*250mm 300*400mm 400*500mm 500*600mm 600*800mm 800*800mm								
Material	Carbon steel scale frame + stainless steel pan (optional full stainless steel material)								
Humidity	<85%RH								
Temperature	-10℃ ~ 40℃								
Accuracy	III
